

VIP PROGRAM PLAYER FAQs & Registration Process

Is my child old enough or can someone be too old to participate?

A child must turn 3 by the start of the Fall season to begin playing in the Fall; or must turn 3 by the start of the Spring season if starting in the Spring season only. There is no upper age exclusion.

How much does the program cost?

The fee for playing with AYSO VIP Spring session is \$30 per child. The fee covers player's insurance, the local cost of running the program, and AYSO national fees. For New Players to AYSO VIP soccer the registration fee also includes: VIP uniform (jersey, shorts & socks) and ball. A fee of \$10 will be charged for a lost ball and/or lost or outgrown uniforms.

Is there a discount for multiple children?

No, due to the low cost of this program. No discounts for multiple players will be given at this time.

Are refunds provided if my child chooses not to play after the season starts, is injured, or a conflict arises?

Any refund request must be reviewed & approved by the Board. It requires special circumstances.

Who must register?

All players have to register every year. Parents complete a registration form and medical release section at our website. In addition, parents are provided CDC concussion safety information.

When is registration?

Registration is held from June-July for the both Fall and Spring seasons (in which case you are automatically registered for the Spring). Sign up for Spring season only is held from January-March.

Where are registrations announced?

Registrations are announced on the Trumbull AYSO website, on our Facebook page, and on other local social media. Those currently registered players receive emails via the Trumbull AYSO system.

Is proof of my child's age and residency needed? If so, what is required?

AYSO VIP Soccer is open to all players-NO Residency requirement. We encourage all players who wish to participate to register. When registering, we ask that you confirm your players age and verify that you have entered the correct date of birth by checking the appropriate boxes. If a concern arises, Trumbull AYSO reserves the right to request the necessary documents to confirm proof of age (a copy of a birth certificate). We only check for under age 3. There is no upper age exclusion.

Is AYSO's data private?

Yes. Data from the registration process is only used internally. The AYSO database cannot be used in any public manner under AYSO national regulations.
