Your VIP Volunteer Commitment:

Thank you for your commitment to the VIP program—your help is what makes this program a success! Before volunteering, please be sure that you can commit to at least 3 sessions in a season. We understand that things come up unexpectedly and/or changes may occur, but we appreciate you being mindful of your schedule before you register.

Weekly Email Session Reminders:

Reminders are sent out on W or TH. Please email if you CANNOT attend a session and/or any other session(s) as they become known—this helps with our weekly volunteer assignments.

What to wear & bring with you to the field each week:

- VIP shirt (provided by program), Sneakers (no cleats), water
- Note on Cell phones: they are NOT to be used during session (preferably in a bag on the sidelines)
